# 2020-21 Wisconsin CRDC Recap

✓ What does it mean when an LEA's CRDC data is certified?

- An LEA certifies their data when submission is complete.
- Certification means they are certifying the data are accurate.
- If LEAs cannot submit all data, they have two options:
  - Action Plans
  - Quick Plans

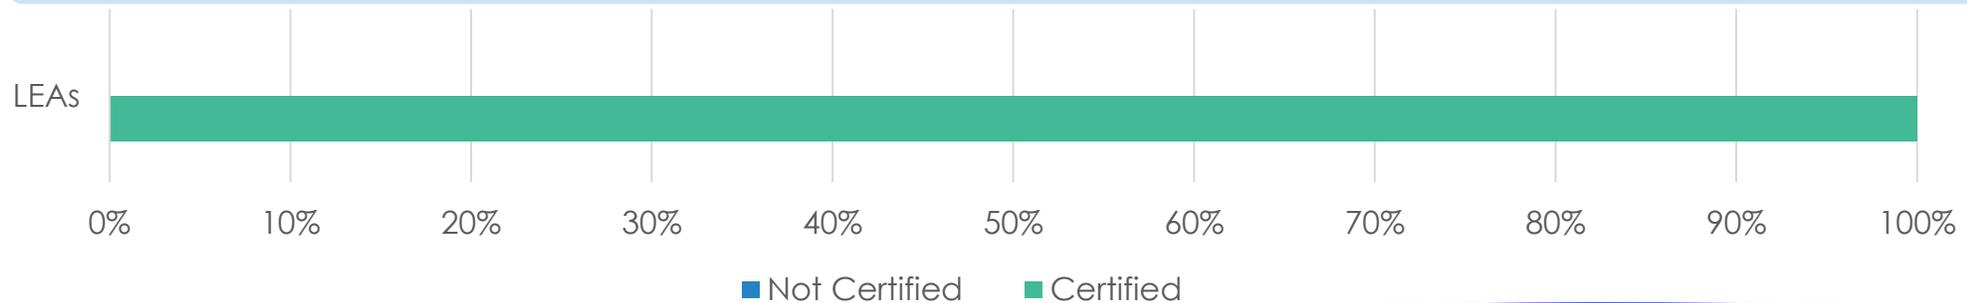

# 2020-21 Wisconsin CRDC Recap

- Issues unique to Wisconsin:
  - **Assistance on Entering Data:** There was confusion concerning why the percentage completion during submission was different across LEAs, when the same sets of data were being entered for all LEAs.
    - The percentage completion for each LEA varied based on the number of 0s entered for certain elements
    - Percentage completion also varied by grades offered
  - **Resources:**
    - [Skipped Field Warnings](#) TA document
    - PSC is also creating a Skip Logic TA document (to be released in the future)

# 2020-21 Wisconsin CRDC Recap

- **SCED Codes:**

- Wisconsin requested a published list of SCED codes applicable to the CRDC
- Resources: PSC is creating a SCED Codes TA document

- **Policy Questions:**

- Program Enrollment (PENR)
  - 504-only students should be included in PENR-4 in the overall count of students.
- Virtual Schools
  - Virtual schools should be included in reporting

# 2020-21 Wisconsin CRDC Recap

- **Staff/School Security**

- Support staff and contracted workers should be included if they fit within the reported categories (teachers, counselors, support services staff, security staff)

- **Harassment & Bullying**

- Support staff and contracted workers should be included if they fit within the reported categories (teachers, counselors, support services staff, security staff)

- **Inclusion of Students aged 18-21**

- When responding to SSPR-1 and SSPR-2: what is the adult cut-off for non-IDEA students, and what is the adult cut-off for IDEA students?

# Post-Collection Data Corrections

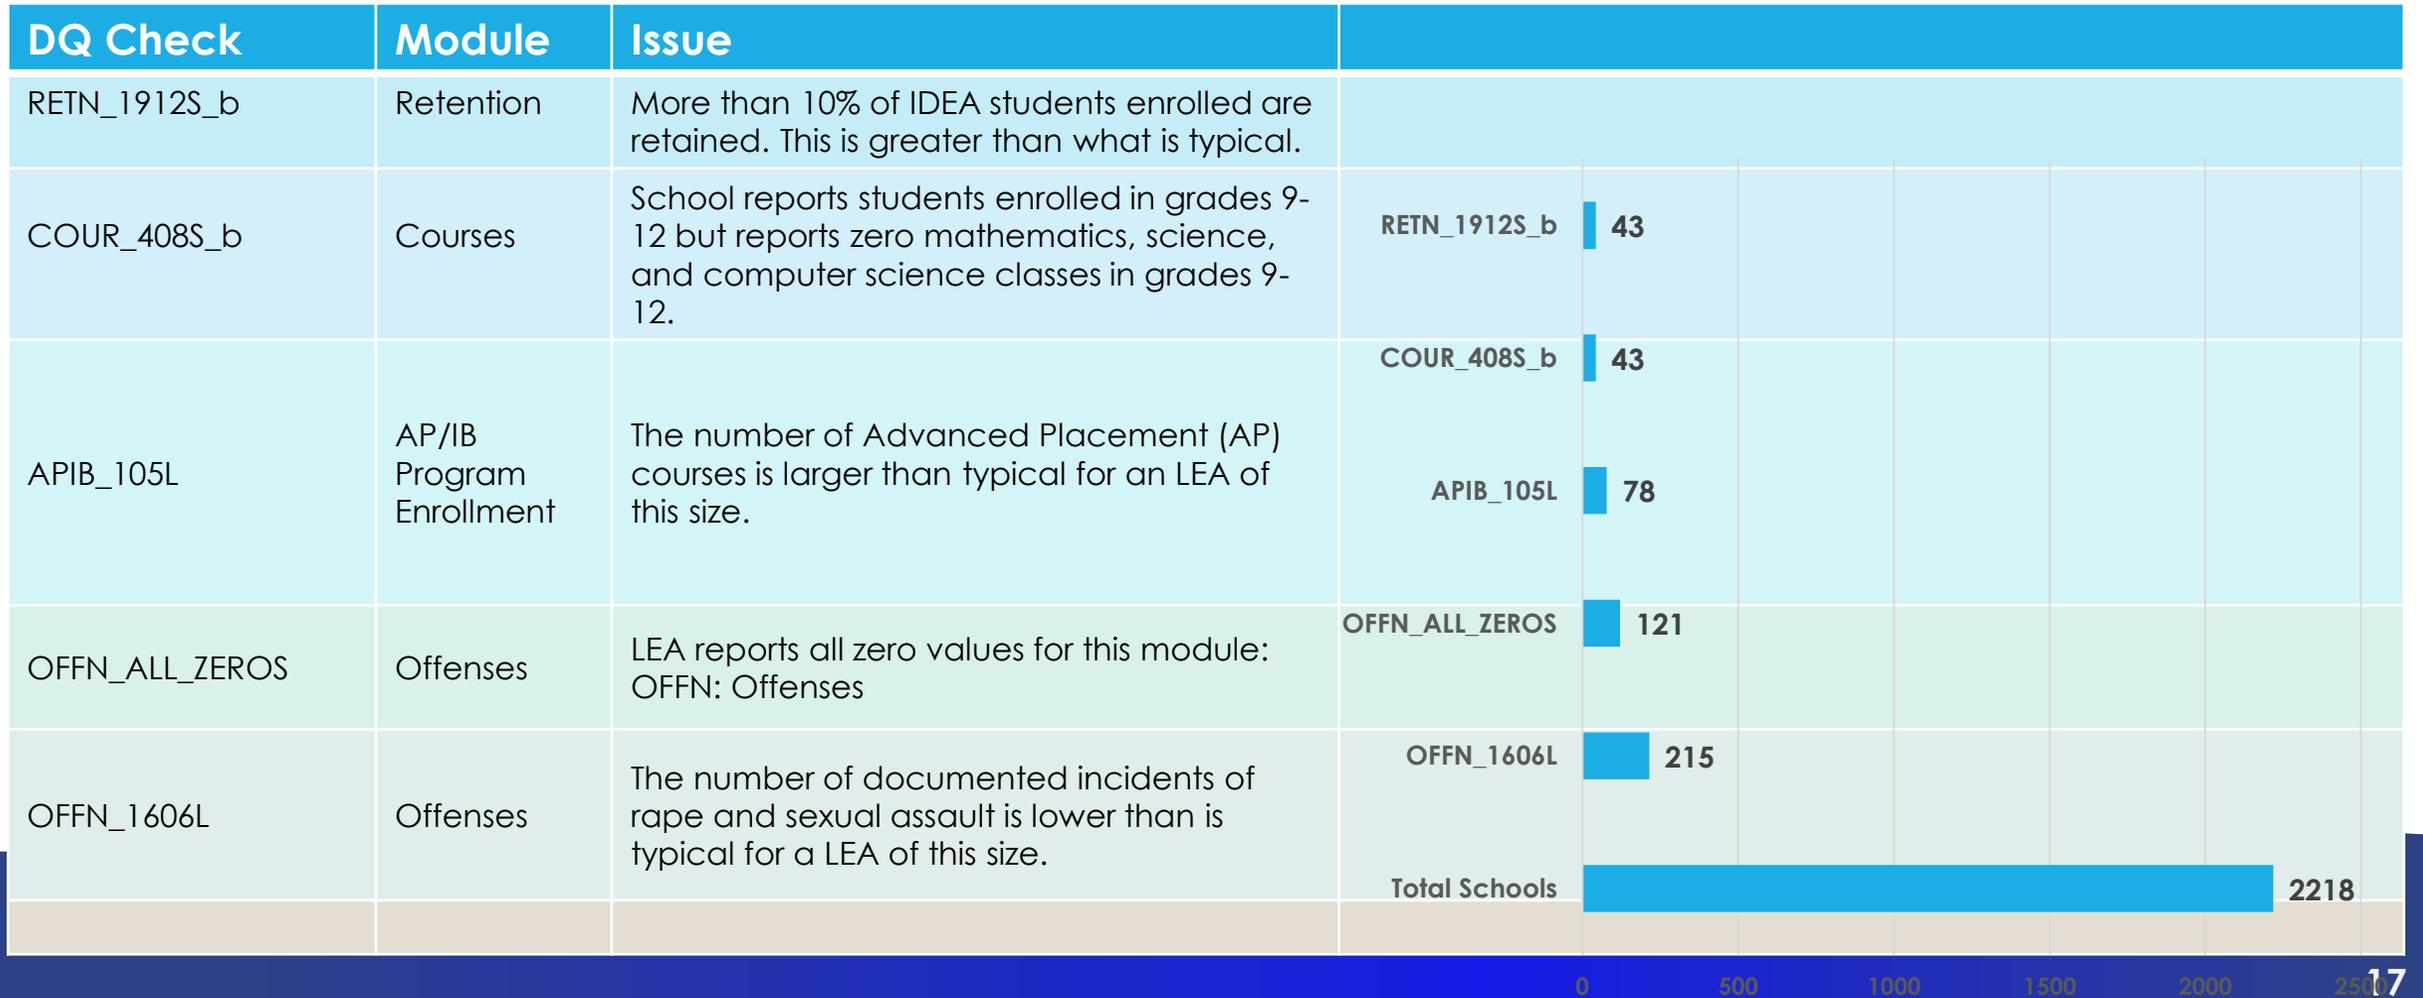

- Starting in July, selected LEAs were contacted for post-collection data corrections.
- Selected LEAs were given the opportunity to review their data and make additional corrections.
- In Wisconsin, **146 LEAs** were selected.
